

# More consultation is not better consultation

Examining the reasons for Part II  
Order requests in Municipal Class EAs

Leah Weller, MCIP, RPP

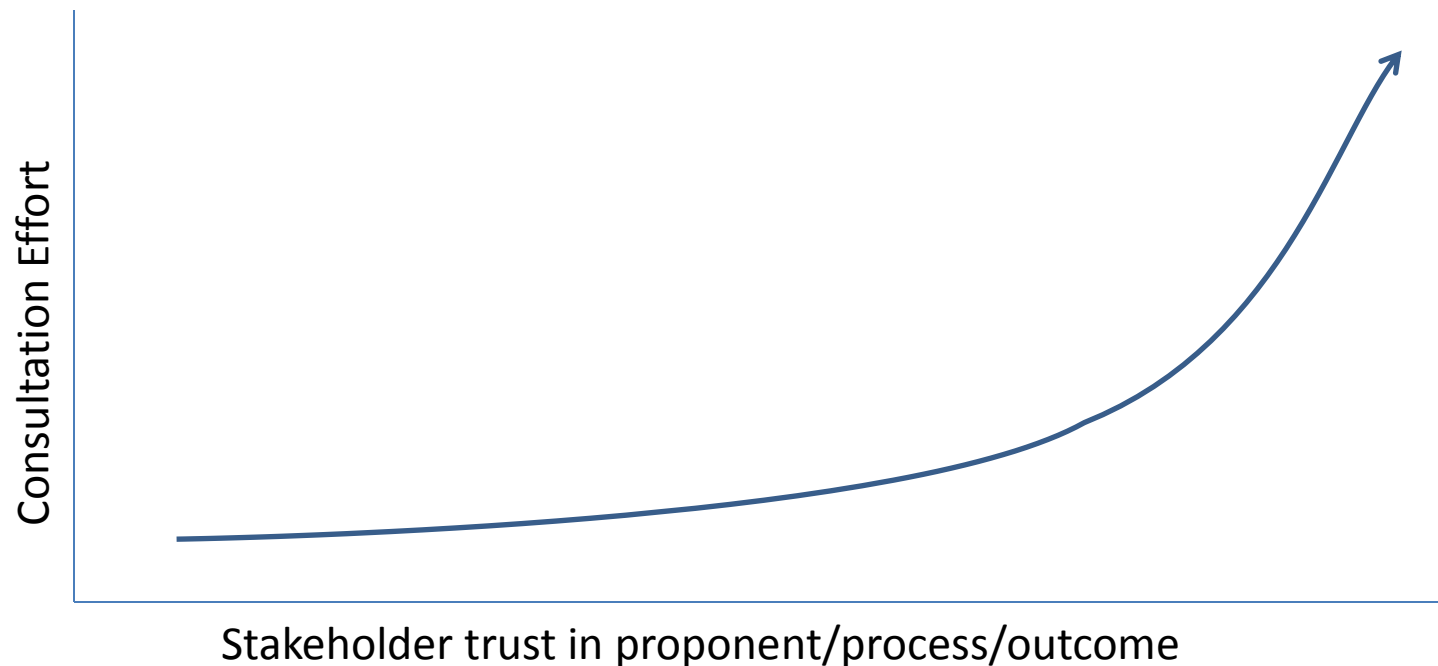

# The Question

- Why do stakeholders request Part II Orders?

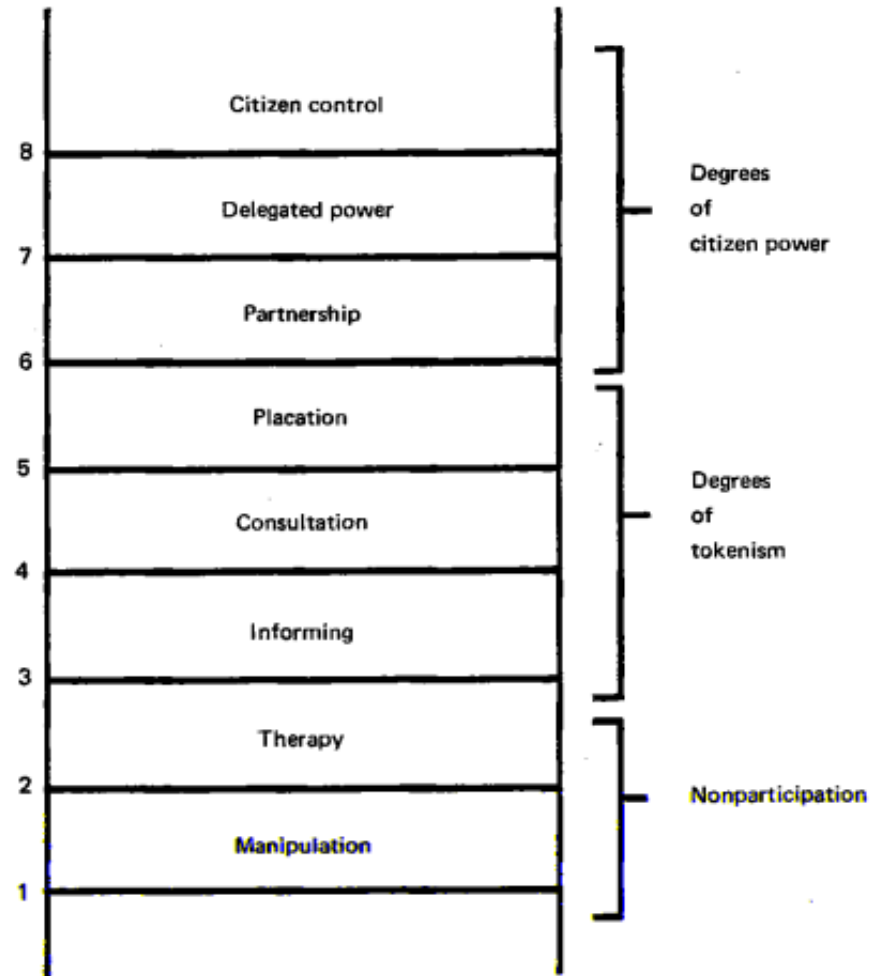

# The Hypothesis

- Not enough public consultation = not enough trust

# The Answer

- Trust may be influenced by public consultation, but quality is more important than quantity

Source: Arnstein, 1969

# The Real World

- Agency    Power    Trust    Collaboration
